<b>Introduction</b> .....	1	<b>Chrobak's Sound</b> .....	37
		<b>Duration of Colposcopic Examination</b> .....	37
		Reference .....	37
<b>1 The Colposcope</b> .....	5	<b>6 Colposcopic Terminology</b> .....	39
Reference .....	7	Hinselmann's Nomenclature .....	40
<b>2 Colposcopic Training</b> .....	9	Wespi's Nomenclature .....	41
Instruments and Technique .....	10	The International Terminology .....	41
Understanding Colposcopic Findings .....	10	References .....	41
Application of the Equipment .....	10	<b>7 Colposcopic Morphology</b> .....	43
Reference .....	11	Introduction .....	44
<b>3 Colposcopic Instruments</b> .....	13	Normal Colposcopic Appearances .....	44
Specula .....	15	Original Squamous Epithelium .....	44
Forceps .....	15	Atrophic Squamous Epithelium .....	45
Endocervical Speculum .....	15	Ectopy (Columnar Epithelium) .....	46
Containers .....	16	Transformation Zone .....	50
Biopsy Instruments .....	16	Abnormal Colposcopic Findings .....	54
Tenacula .....	17	Leukoplakia .....	54
Chrobak's Sound .....	17	Punctuation .....	54
<b>4 Special Colposcopic Techniques</b> .....	19	Mosaic .....	59
Acetic Acid Test .....	20	Atypical Transformation Zone .....	64
Schiller (Iodine) Test .....	23	Erosion (Ulcer) .....	69
References .....	29	Inconspicuous Iodine-Yellow Area .....	71
<b>5 The Colposcopic Examination</b> .....	31	Signs of Early Invasive Carcinoma .....	72
Positioning the Patient .....	32	Invasive Carcinoma .....	77
Exposure of the Cervix .....	32	Adenocarcinoma in situ and	
Initial Inspection .....	33	Microinvasive Adenocarcinoma .....	81
Removal of Mucus and Discharge .....	33	Condylomatous Lesions .....	82
First Colposcopic Examination .....	33	Miscellaneous Colposcopic Findings .....	88
Acetic Acid Test .....	33	Inflammatory Changes .....	88
Second Colposcopic Examination .....	33	Polyps .....	90
Schiller (Iodine) Test .....	33	Postconization Changes .....	94
Final Colposcopic Inspection .....	36	Changes Due to Prolapse .....	96
Documentation of the Colposcopic Findings .....	36	Endometriosis and Miscellaneous Findings .....	97
Obtaining Smears for Exfoliative Cytology .....	36	References .....	98
Target Biopsy .....	36	<b>8 Colposcopy in Pregnancy</b> .....	99
Punch Biopsy .....	37	Pregnancy-Induced Cervical Changes .....	100
Loop Diathermy Excision .....	37	Are There Pregnancy-Specific Changes? .....	100
Endocervical Curettage .....	37	Effects of Pregnancy on Colposcopic Appearances .....	100
		Acetic Acid Test .....	100
		The Schiller (Iodine) Test .....	100
		Benign Changes in Pregnancy .....	101
		Suspicious Changes .....	105

Puerperium .....	112	<b>12</b> <u>Uses of Colposcopy</u> .....	147
Biopsy During Pregnancy .....	112	Routine Colposcopy .....	148
