

# 21<sup>st</sup> Thieme Lecture in Organic and Bioorganic Chemistry

## From Chemical Topology to Molecular Machines

**Prof. Jean-Pierre Sauvage**  
University of Strasbourg  
**Nobel Laureate 2016**

---

### 21<sup>st</sup> Day of Organic Chemistry at the University of Stuttgart (TOCUS), October 13, 2017

- 9:00 am Presentations of 12 doctoral students from the Universities of Stuttgart, Freiburg, Heidelberg, Karlsruhe, Konstanz, Tübingen, Ulm. Auditorium V 55.02
- 5:30 pm Welcoming remarks: Caroline Birkle, Georg Thieme Verlag, Stuttgart  
Introduction by Clemens Richert, Institute of Organic Chemistry, University of Stuttgart
- 5:45 pm Thieme Lecture: Prof. Jean-Pierre Sauvage, University of Strasbourg  
**'From Chemical Topology to Molecular Machines'**
- 7:00 pm Evening buffet and after dinner discussions (advanced booking for non-lecturers required)  
Internationales Begegnungszentrum (IBZ) of the University of Stuttgart,  
Robert-Leicht-Str. 161, 70569 Stuttgart
