

Special Authors Guidelines Nuklearmedizin/NuclearMedicine

	Original Papers	Review Articles	Editorial	Case Reports	Submission at ScholarOne Manuscripts https://mc.manuscriptcentral.com/nuk-med
Aims and Scope	Nuklearmedizin/NuclearMedicine publishes original papers, review articles, and case reports in English.			Case reports will be printed as short communications. This means that strict rules and constrictions are necessary. The case should be presented in such a way that its speciality becomes clear and obvious. Extensive introductions and discussions should be avoided. Generally, case reports are presented following the original papers.	All manuscript submissions should be entered online at http://mc.manuscriptcentral.com/nukmed .
Authors and Institutions				Usually, a maximum of four authors is allowed. If a case report needs to exceed this number, please state a reason in your cover letter.	
	Names, addresses or any information which may indicate the identity of the author(s) may not be included in the manuscript. A divided first authorship is allowed. All institutional listings in English. Within the manuscript names and address must not be used as well as any information that conclude towards the authors.				Entry only in specified input fields during submission in Scholar One. Please do not include in main text document.
Title	English short, concise, a maximum of 50 words in each language.				Entry only in specified input fields during submission in Scholar One. Please do not include in main text document.
Abstract	English summary (up to 1,800 characters incl. space bars for each language). Divide the summary in aim, methods, results, conclusion .	No abstract (please insert "n/a" in the appropriate window when submitting your manuscript online)			Entry only in the specified input field during submission in Scholar One. Please do not include in main text document. Please do not upload it as a separate file during the file upload, except for corrections in revisions
Keywords	3–6 keywords in English.	No keywords (please insert "na" in the appropriate window when submitting your manuscript online)			Entry only in specified input fields during submission in Scholar One. You can choose from the key words in the list or enter your own key words in the input fields.
Main text manuscript¹	The manuscript should be organized according to the type. Manuscript main text in Word format. References to figures and tables: should appear chronologically in the manuscript main text. Abbreviate using "Fig."; and "Tab.". Literature references: all literature in the bibliography is to be cited in the manuscript main text using Arabic numerals surrounded by square brackets. The bibliography appears after the manuscript main text and lists all literature. See "Citation Format" in this table for examples.				Upload a docx-file of the manuscript with reference list (without summary, figures and tables); <i>File Designation: 1. Main Document</i>
Size of text	Up to 22,000 characters incl. spaces			Up to 8,000 characters incl. spaces.	Revision of a manuscript:

Structure	It is essential to divide the manuscript in e.g. Summary, Introduction, Material and Methods, Results, Discussion, Conclusion, and Literature. The most important sections should be stressed by subheadings.	Introduction, followed by structure according to articles characteristics	According to articles characteristics	Short introduction – description of the case including methods and results – short discussion including general conclusion.	Save your peer-reviewed word-file on your local harddrive. Make your changes transparent by using “Track Changes” in MS Word ² .
References for tables and figures	Figures and tables must be cited in parentheses in the text in numerical order, e. g. (Fig. 1, Tab. 1). Legends for figures and tables should appear at the end of the manuscript.				
References for cited literature				Only the most important five references (in Vancouver style) should be listed.	
	Arranged alphabetically (first author) and numbered consecutively, max. 40 references. According to Index Medicus and Vancouver style (see below).				
Figures Limitations				Up to three figures are allowed of which the total size may not exceed half of a printed page.	
Figures Preparation	<ul style="list-style-type: none"> • Figure quality: 1000 pixel width (300 dpi with a width of 8,5 cm) • File formats: JPG or TIFF for images • Figures with multiple sub-elements: please use small letters to classify each (a, b, c, d, etc.). Do not import figures in the text. • Symbols, lettering, and numbering should be clear and large enough to remain legible after the figure has been reduced to fit the width of a column. • Use only one type-size. • Image files accompanying a manuscript must be supplied electronically in separate files to the main text. 				Upload in Scholar One individually; File Designation: 2. Image Figure legends including figure number should be entered in the appropriate field during the file upload – look for “Caption/ Legend” during file upload. (Do not submit figure legends via Word file.)
Tables	Each table must have a table legend and either one table header over all columns or a header for each column. The editors and the publisher reserve the right to publish some of the tables online only especially large ones, if their size exceed the provided space. File Designation: 3. Table				
Code names / fake names / fictional personal data	According to Thieme guidelines, data about actual persons must be systematically alienated to protect personal rights and to make code names always recognizable as such. If one or several persons are provided with code names in pictures or texts, the following options are to be used:				

	<ul style="list-style-type: none"> • Individual persons (English): <ul style="list-style-type: none"> ○ male: Mr. D., J. Doe, Jon Doe ○ female: Ms. D., J. Doe, Jane Doe • Several persons (English): <ul style="list-style-type: none"> ○ male: Andrew, Charles, David, George, James, Michael, Matthew, Robert, Thomas, William ○ female: Anne, Bridget, Catherine, Emily, Elizabeth, Jane, Melissa, Sarah, Susan, Victoria • If absolutely necessary in an individual case, the following written-out English surnames are also valid: Brown, Jones, Smith, Taylor, Williams. • If names from further language areas are required (for example Turkish, Russian, Spanish names), they must be unambiguously labeled as editorially changed names in the text as well as in the caption of figures (for example within a footnote or with the phrase “editorially changed names” in parentheses). • Further fictional data is combined with the word “sample” in English (for example Sample Company, Sample Institute). Furthermore, the following applies: <ul style="list-style-type: none"> ○ addresses: 123 Sampe Street, Sampletown 1234 ○ date of birth without numbers ○ phone number: 123.555-1234 ○ medication: Sample Drug ○ result: Sample Diagnosis 	
Tables Preparation	Create tables using Word or Excel. Each table should be appropriately numbered.	Upload tables as word-file (editable word-tables, not as images within a word-file) at file designation: 3. Table
Videos	Format: *.avi, *.mpg., *.mov or *.wmv. Labelling according to appearance within the main part of the manuscript (video 1, video 2,...)	File designation: supplementary file
Reference style	According to Index Medicus and Vancouver style: Journals: 1. Nikolaus S, Larisch R, Vosberg H et al. In vivo imaging neurotransmitter function. Nuklearmedizin 2011; 50: 155–166. Books: 1. Schicha H, Schober O (Hrsg). Nuklearmedizin – Basiswissen und klinische Anwendung. Stuttgart: Schattauer 2007. 2. Wise A, Mahani B. Radioiodtherapie des differenzierten Schilddrüsenkarzinoms. In: Growth regulation of the thyroid gland. Röhri R, Amber S (eds). Stuttgart: Schattauer 1994; 49–67.	
<p>¹ Values quoted here include blank spaces and refer to the length of the manuscripts including the bibliography. The number of characters can easily be found in Microsoft Word using “Tools” → “Word Count”.</p> <p>²To activate the “Track Changes” function in Word, go to “Tools” → “Track Changes” → “Highlight Changes”. Activate all check boxes in the “Highlight Changes” window.</p>
