Dawei Ma, Shanghai	

Article Identifier

On the first page of each article, an article identifier shows additional details for the article such as online publication date, Digital Object Identifier (DOI), and manuscript number for internal reference (Art ID). The DOI provides the possibility to permanently identify documents in digital networking systems and should be used when referring to material published only in electronic format. More information on the DOI can be found at <http://www.doi.org>, the website of the International DOI Foundation.

Publication Information

SYNLETT (Print ISSN 0936-5214, Web ISSN 1437-2096) will be published monthly with additional issues in Jan, Mar, Apr, June, Jul, Sep, Oct, and Dec (total 20 times) in 2018 by Georg Thieme Verlag KG, Rüdigerstraße 14, 70469 Stuttgart, Germany. Periodicals postage paid at Hanover, PA 17331. **USA Postmaster:** Send address changes to **SYNLETT**, c/o Thieme Publishers New York, Thieme Medical Publishers, Inc., 333 Seventh Ave, New York, NY 10001.

Printed and bound in Germany by Grafisches Centrum Cuno GmbH & Co. KG, Gewerbering West 27, 39240 Calbe (Saale), Germany.

Manuscript Submission

Manuscript submissions will be processed exclusively online via <http://mc.manuscriptcentral.com/synlett>. Please consult the Instructions for Authors before compiling a new manuscript. The current version and the Word template for manuscript preparation are available at www.thieme-chemistry.com.

Journal Policy

Product names which are in fact registered trademarks may not have been specifically designated as such in every case. Thus, in those cases where a product has been referred to by its registered trademark it cannot be concluded that the name used is public domain. The same applies as regards patents or registered designs.

Copyright

This journal, including all individual contributions and illustrations published therein, is legally protected by copyright for the duration of the copyright period. Any use, exploitation or commercialization outside the narrow limits set by copyright legislation, without the publisher's consent, is illegal and liable to criminal prosecution. This applies to translating, copying and reproduction in printed or electronic media forms (databases, online network systems, Internet, broadcasting, telecasting, CD-ROM, hard disk storage, microcopy edition, photomechanical and other reproduction methods) as well as to making the material accessible to users of such media (e.g., as online or offline backfiles).

Copyright Permission for Users in the USA

Authorization to photocopy items for internal or personal use, or the internal or personal use of specific clients, is granted by Georg Thieme Verlag Stuttgart · New York for libraries and other users registered with the Copyright Clearance Center (CCC) Transactional Reporting Service, provided that the base fee of US\$ 25.00 per copy of each article is paid directly to CCC, 22 Rosewood Drive, Danvers, MA 01923, USA, 0341-0501/02.
